Dominate Others With Fantastic Brute Strength!

"LET ME TEACH YOU THE SIMPLE SECRET PROFESSIONAL MUSCLEMEN USE TO BUILD UP THEIR BODIES IN JUST 90 SECONDS A DAY!"

by Joe Nazario, Mr. U.S.A. Physique Champion, 1977, Mr. International, 1978

Regardless of your age, weight & height, if you can spare 90 seconds a day, you CAN get back into shape!

Achieve these five muscle improvements within one month, or you pay nothing!

- ☐ See your abdomen become a taut wall of muscle!
- ☐ Transform weak arms into pillars of strength!
- ☐ Lift and broaden sagging shoulders!
- ☐ Develop a deep and powerful chest!
- ☐ Strengthen your back, thighs and calves!

I'm a professional body builder. I won the Mr. U.S.A. competition in 1977, and the Mr. International contest in 1978. I'll probably win Mr. Universe this year. I'm also in the exercise and health consulting business in New York City.

So I'm familiar with exercise and body building programs. I've probably tried every single one of them. And do you know something? Not one of them is worth the money you have to pay!

The reason is simple. Every so-called exercise machine, every weight-lifting set ever made works on one of two principles: isometric (putting stress on muscles that do not move) or isotonic (moving muscles under stress).

So, when you pay good money for a machine or a set of fancy equipment, you're buying a gimmick. You can accomplish exactly the same exercise value, get exactly the same results, without the machine—IF YOU KNOW HOW! What's more, since machines and weights put a tremendous amount of stress on weak, underdeveloped muscles, they can actually cause more harm than good.

THE SIMPLE LOCKER ROOM SECRET THAT REALLY WORKS, IN JUST 90 SECONDS

In my years as an athlete and as an "iron pumper," I've seen hundreds of men get ready for strenuous competition. Each had his own personal manna. Each had favorite warm-up exercises. But over the years, I noticed a simple, common thread that was common to all.

I actually discovered the simple locker room secret that the pros use to build up their bodies in just 90 seconds!

That's right, using my secret, you can exercise all 18 muscle groups in your body in just 90 seconds. Eighteen simple exercises every day, just five seconds on each. And within two weeks or less, you'll begin to notice the difference.

You'll FEEL stronger! You'll LOOK healthier, your body will be FAR MORE ATTRACTIVE! I'm not talking about tiny differences you can measure with a tape—I'm talking about great changes you'll begin to feel yourself, you'll notice in the mirror, your friends will notice on the beach!

WHAT IS MY AMAZING SECRET?

Frankly, it'll cost you \$5.00 to find out. After all, a secret as good as this one, a secret that will make your body stronger, healthier, better looking is worth \$5.00! But I'll give you a hint. It's a combination of the principles of both isometrics and isotonic. I call it "Tonometric". And it requires no special equipment, no fancy gym. You can use my "tonometric" techniques and special "tonometric" exercises in your bedroom, bathroom, even in your office during your coffee break!

There are 18 special exercises in all, one for each of the 18 major muscle groups in your body. And each exercise takes just 5 seconds to do.

SEE THE RESULTS YOU CAN EXPECT FROM MY SECRET "TONOMETRIC" EXERCISE PROGRAM—DEPENDENT UPON YOUR AGE:

If you are basically healthy and eat a balanced diet, the percentage of total performance can improve as follows using the "tonometric" program:

Age	Amount of Improvement	Age	Amount of Improvement
15	up to 100%	35	up to 180%
18	up to 130%	40	up to 150%
21	up to 150%	50	up to 100%
25	up to 200%	60	up to 70%
30	up to 200%	70	up to 50%

Of course, if you have a weak heart, or any physical disability, you should consult with your physician before beginning this or any other exercise program.

ABSOLUTELY NO RISK TO YOU!

When you send me your \$5.00, I'll send you a booklet explaining the "tonometric" concept, and outlining an exercise program using my 18 basic exercises designed to trim down fat and flab... and build up weak, underdeveloped muscles. BUT I WON'T CASH YOUR CHECK FOR 30 DAYS!

That way, you'll have plenty of time to try my amazing "tonometric" program, and decide for yourself if it's everything I say or not. IF YOU'RE NOT ABSOLUTELY THRILLED, SIMPLY RETURN THE MATERIAL AND I'LL SEND BACK YOUR CHECK!

What could be fairer than that? Since you've got nothing to lose, and only a beautiful, strong, firm body to gain, why not send me the coupon, and the check for \$5.00, today?

MEET JOE NAZARIO, CREATOR OF THE "TONOMETRIC" SYSTEM

Joe is 29 years old. He presently is in the health food business, and conducts seminars on health, nutrition, and exercise.

Joe has served as a consultant to industry, and gives private body building instruction. In 1977, Joe won the Mr. U.S.A. Physique Championship, and in 1978 he was named Mr. International.

Dear Joe:

I want to learn the secret professional musclemen use to build up their bodies in just 90 seconds a day. Please rush me your complete program of 18 exercises. THOUGHT FOR THE DAY

"There is only one thing in the world worse than being talked about, and that is not being talked about."—Oscar Wilde, *The Picture of Dorian Gray*

Dear Friends,

My thanks to TM Maple, Toronto for supplying the above quotation. It's a favorite of mine and I'm startled that I haven't used it before this.

Anyway, there's little danger that I will discover the one thing worse than being talked about. It seems just about everybody is getting into the act. Long-time readers, rookies, columnists and fans. All gabbing away to beat the band. About the original fashion queen of comics. Let's hear from a few.

What a great first *Katy Keene Special*! A good cross-section of Katy. Really enjoyed it. And the coloring is really outstanding; much better than the original, I think. Can't wait for the second issue.

Craig Leavitt, Barb Rausch and I were pouring out those #1's like water to thirty readers in San Diego at the Convention. The Con's director, Shel Dorf, was really impressed.

Great meeting Richard Goldwater and Michael Silberkleit in San Diego. So glad Archie Comics was finally represented.

Enclosed is a piece I did after talking with Craig about one particular story you may use in issue 2. The one where Doctor Kildear invites Katy to a Masquerade Ball. If you wish to keep it, it's yours to use

as you see fit.

Keep up the great work.

Sincerely, John Lucas, 217 W. Tenth St., Michigan City, IN

No John. You keep up the great work. As you already know, but our readers are bound to find of interest, I liked your work so much I purchased it for this issue's cover

Three cheers for Bill Woggon and Katy Keene.

Though I have read comics for nearly a quarter-century, the *Katy Keene Special* was a revelation for me. My childhood tastes ran to traditional superheroes; now, at the venerable age of 30, I can appreciate Katy's charm, glamor and refreshing innocence. Katy and friends—and the the young readers who contributed their ideas and costume designs—are delightful.

I sincerely hope that Archie's *Katy Keene* revival is not a one-shot. I'm not too Keene on the idea of new stories, though. I doubt that the ingenuousness of Woggon's originals could be duplicated. More reprints would be just fine.

Best, David Hogan, 400 N. Los Robles #33, Pasadena, CA 91101

Katy Keene is here to stay. In Katy Keene Special, Laugh Comics Digest and now ... Laugh. Choice selections from our library that I hope will continue to amuse you.

NEXT: *Katy Keene Special #3. In 60 days. That's right. We've gone bi-monthly.*

Yours, Robin

This is a BIG, 64-page Book listing over a thousand free presents that will be shipped to you.

This amazing book gives you the mailing addresses to send your request letters to—and the companies will mail back your free samples. These corporations, government agencies and trade associations will send all the goodies you request... Hundreds of dollars worth of give-aways!

Thousands of young people just like you have ordered this book, and been delighted when their mailbox brought them new presents each day! To get yours, mail in the coupon right away!

WHY IS EVERYTHING FREE?

You may already know about how companies give away free samples. How famous hamburger places say, "BUY ONE, GET ONE FREE." Your mother has probably received free samples of soaps and detergents at her doorstep or in her mailbox. Perhaps a publishing company has sent your family a free copy of their magazine, hoping that you'll subscribe.

You see—companies give away lots of free samples ("promotional giveaways") hoping that you'll like their products... Hoping that you'll want more, and pay them for it next time! But YOU DON'T HAVE TO SPEND EVEN A PENNY, unless you decide you want to. There is no obligation, nothing you have to do, nothing you ever have to buy—JUST ENJOY YOUR FREE SAMPLES AT HOME!
